

WATER METER OPTION FORM

Please complete the form below by indicating the water measuring method you would like to use and return this letter to the Division of Water Rights/Distribution Section in Salt Lake City.

_____ I would like to use the proposed pitot tube/manometer alternative to installing a water meter. I will follow the requirements and conditions outlined for this alternative.

_____ I would like to use my own measuring device (water meter) which I will install at a location approved by the Division of Water Rights/Distribution Section.
